

LONG COPPER PRODUCTS

PIPES, RODS, FLAT BARS

PARAMETERS OF LONG PRODUCTS

In addition to flat products, we also offer long copper products: tubes, rods, and flat bars, which combine high thermal and electrical conductivity, corrosion resistance, and ease of machining.

PRODUCT		PARAMETER	SIZE (mm)
TUBES	STRAIGHT TUBE	Diameter (Ø)	4.76 - 152.00
	PLAIN TUBE / LWC	Diameter (Ø)	4.00 - 22.23
	PANCAKE COIL	Diameter (Ø)	4.76 - 22.23
RODS	ROUND BARS	Diameter (Ø)	up to 70
	SQUARE BARS	Dimension	up to 80 x 80
FLAT BARS (COPPER BUSBARS)		Thickness	1.50 - 60.00
		Height	8.00 - 260
		Length	On request/Made to order

"Long products manufactured according to standards:"

EN 1057

Seamless round copper pipes for water and gas, used in sanitary and heating installations.

ASTM B280

Seamless copper pipes for air conditioning and refrigeration.

www.nova-trading.com

TYPES OF PRODUCTS

Basic copper grades available in our offer – marked according to standards.

TUBES

EN		DIN	ASTM
Symbol	Number		
Cu-HCP	CW021A	SE-Cu57	C10300
Cu-DHP	CW024A	SF-Cu	C12200

Characteristics

Cu-HCP Phosphorus-deoxidized copper with high electrical conductivity

Cu-DHP Phosphorus-deoxidized copper with high phosphorus content

TYPES OF PRODUCTS

Basic copper grades available in our offer – marked according to standards.

RODS

EN		DIN	ASTM
Symbol	Number		
Cu-ETP	CW004A	E-Cu58	C11000
Cu-OF	CW008A	OF-Cu	C10200

Characteristics

Cu-ETP Electrolytic copper with high electrical conductivity

Cu-OF Oxygen-free copper with high electrical conductivity, containing at least 99.95% Cu

TYPES OF PRODUCTS

Basic copper grades available in our offer – marked according to standards.

FLAT BARS (BUSBARS)

EN		DIN	ASTM
Symbol	Number		
Cu-ETP	CW004A	E-Cu58	C11000
Cu-OF	CW008A	OF-Cu	C10200

Characteristics

Cu-ETP Electrolytic copper with high electrical conductivity

Cu-OF Oxygen-free copper with high electrical conductivity, containing at least 99.95% Cu

WE OFFER

- Copper tubes – straight, plain (LWC), pancake coil, grooved, insulated
- Rods – round, square
- Flat bars (copper busbars)

Contact our Sales Department to learn more about our complete range of long copper products in various dimensions.

Our experts are ready to provide detailed information on material availability, technical parameters, and sales conditions.
